

# STRmix™ USA Onsite Full User Workshop Registration

## Form PLEASE FILL OUT ONE FORM PER PARTICIPANT

Dear Participant,

Please read and fill out this form, then return it to [rena.lawless@esr.cri.nz](mailto:rena.lawless@esr.cri.nz) as soon as possible to secure your seat (places confirmed on a first come first served basis).

### Workshop Information:

Date: 30 Sept – 3 Oct 2024 (4 days)  
Location: California Department of Safety  
Jan Bashinski DNA Laboratory,  
1001 West Cutting Blvd  
Richmond, CA 94804-2028  
Cost: USD 3,300 per participant

### Special Instructions:

Travel, accommodation and provision of a laptop computer will be the responsibility of the participant.

Computer specifications as listed [here](#). The medium spec is recommended for this workshop, with access to MS Excel and a PDF reader such as Adobe Acrobat.

Attendees will receive a trial version of STRmix™ and by submitting this form acknowledge that they will abide by the terms of the *STRmix™ 60 DAY EVALUATION SOFTWARE LICENSE AGREEMENT*. This training is in the latest major version release of STRmix™.

Whilst forensic biologist focused, it is open for attendance by scientific experts that act for prosecution or defense legal teams. Attendance will be confirmed once minimum attendee numbers are met.

Should travel restrictions occur, we retain the option of reconfiguring this STRmix™ full training workshop to be remotely delivered using the Zoom virtual meeting platform (<https://zoom.us/>).

**Please fill out the details below. An invoice will be issued to your organisation in due course.**
